Expert Mouse® Pro

....

For PCs and
USB Macs

So much power, so little effort.

The Expert Mouse® Pro gives you more single-click options for repetitive mouse tasks than any other trackball. Its powerful features—including six DirectLaunch™ buttons, four programmable mouse buttons, and an integrated scroll wheel—make it the most versatile trackball available today.

DirectLaunch technology takes you where you want to go. The six DirectLaunch buttons give you fingertip access to your favorite Web sites or applications. Simply press and hold a DirectLaunch button to associate it with a Web site. Once a button is programmed, one touch takes you directly to the Web site or application you want to open.

The Expert Mouse Pro offers maximum power and versatility with six DirectLaunch buttons, four programmable mouse buttons, and an integrated scroll wheel.

Expert Mouse® Pro

The Expert Mouse Pro brings more power and flexibility to your desktop than any other trackball.
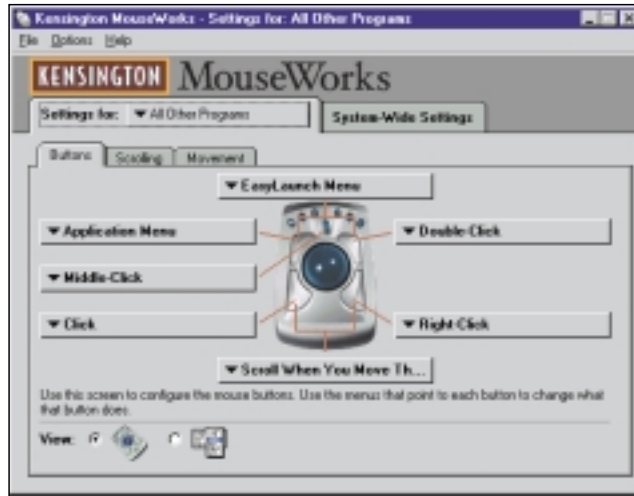

- Six DirectLaunch buttons provide fingertip access to your favorite Web sites or applications.
- Stainless steel bearings give you the smoothest, most precise tracking and maximum durability available.
- The large ball gives you more precision with less effort.

- Four programmable mouse buttons, combined with the enclosed MouseWorks® software, let you handle repetitive tasks with a single click.
- Large mouse buttons and a symmetrical design make the Expert Mouse Pro easy to use with either hand, regardless of your hand size.
- An integrated scroll wheel lets you move quickly through long documents or Web pages.
